## Directions to Synergia Ranch

### Bantu Camp & Camp Tumbuka

#### FROM SANTA FE

Take Hwy 14 south toward Madrid (either from the I-25 exit or as a continuation of Cerrillos Rd.). About 1 1/2 mi. S from I-25, you'll cross Hwy 599, where there's an Allsup's store and a gas station. Keep going. About 6.8 miles further south, you'll come to a minor crossroad labeled as County Road 44 to the left, and County Road 45 to the right. Turn RIGHT on County Road 45 (to the West). This road is also called Bonanza Creek Rd. If you pass by the Lone Butte County Store, you've just missed the turn. Go back a few hundred yards and you'll see it. From the turn-off onto County Road 45, go 1.5 miles until the road makes a sweeping curve to the right. DON'T follow that curve -- instead, go straight ahead on the dirt road labeled Silver Hills Road. About 300 yards further, there's a dirt drive to the left labeled Synergia Road. You have arrived!

#### FROM ALBUQUERQUE

Take I-25 north, and go 40 miles to Exit 267. Jog to the right, then turn left to get onto the frontage road paralleling I-25 in the same direction (heading northeast toward Santa Fe). DO NOT go toward Waldo. Continue 3 miles on the frontage road to the turn-off for County Road 45 (also called Bonanza Creek Road). Turn Right here, heading east. The signs there direct you to Los Cerrillos, Bonanza Creek, and Rancho Allegre. On the fourth major bend, (approximately 5 miles) going to the left, DO NOT continue around the bend. Instead, look for the dirt road heading to the right from the bend in the road. Go right (west) there onto Silver Hills Road. You're almost there! About 300 yards further, look for Synergia Road on the your left. You have arrived!
